

The month of fasting which started at end of June is always a busy month for FCI. The following photos of our essential food distribution in Jakarta were in the areas of **Pasar Minggu** and **Lenteng Agung** where we concentrated on the elderly. Sharing the blessings in this way is made possible through the giving of our wonderful friends and Yayasan Harapan Baru. We would like to thank everyone who continues to commit to supporting our efforts to share the spirit of Idul Fitri to those we meet. Happy Idul Fitri 2014!

Team to Timor and Alor

Atambua

This month Angel and Monica traveled to **Atambua**, Timor Island to check on the construction of the third school building on the site for needy children in that area. This third building will add an extra 3 class rooms. The project is proceeding well and should be finished before the end of the year.

Alor

From Atambua they proceeded to **Alor** Island to host several Teacher Training seminars and deliver 12 sets of the Indonesian **STEPS Character Building** curriculum sets to be used in the (Paud) preschools there. The teachers were so thankful for the encouragement and inspirational input as being so far removed from the main islands sometimes they feel very isolated.

After Alor they went back to **Kupang** where they delivered 120 sets of donated uniforms to needy children at a fishing village and had a good time of activities with the very thankful students and teachers.

We do want to thank those who helped with these programs. Your help is going so far to improve the lives of many.

Report

Team to Manado, North Sulawesi

Terry instructs teachers in a small village outside **Manado** where we gather with 7 (PAUD) or preschool teachers. Each teacher is given a copy of the **STEPS Character Building** curriculum set in Indonesian with a short seminar on how to use the set.

Other Projects

FCI volunteers conduct a mini seminar on **“Developing your Talents”** for students from Papua and NTT studying with Yayasan Hope Asia in **BSD, Tangerang**.

FCI volunteers Daniel and Sharon visit **Anyer** to distribute donated stationary to a small (PAUD) preschool. This preschool we have visited regularly for the past 2 years.

Daniel begins recording Indonesian audio to be used on inspirational video.

Family Care Indonesia expresses its gratitude to all of our friends whose generous support has made possible the projects featured in this report. We find great satisfaction in working in a country where being of service to one's fellow man and helping those in need is highly valued. As a non-profit volunteer organization, all of our activities are funded through the support of those who share our vision. We warmly welcome your participation. Together we can make a difference!
